

OneCornwall

As the academic year draws to a close and we look ahead to a well-deserved summer break, we'd like to take this opportunity to thank you for your continued partnership and commitment to education across Cornwall. It's been a pleasure to support you over the past year, and we're proud of everything we've achieved together.

In this final newsletter of the academic year, we've included some important updates and reminders to help you prepare for the term ahead. You'll find key information on **registering your Early Career Teachers (ECTs)** for September, details of the **upcoming NPQ programmes**, and a reminder of the support available through our **Appropriate Body (AB) service**.

Wishing you a relaxing and restful summer and we look forward to working with you again in the new term.

National Professional Qualifications

OneCornwall is pleased to be working in partnership with Leading Schools South West (LSSW) to deliver the National Professional Qualifications (NPQs).

The Department for Education (DfE) has announced a move to a single annual NPQ cohort, starting from the next academic year.

In preparation for this change, we are now accepting registrations for the upcoming NPQ programmes. We encourage schools to plan ahead by registering early and signposting colleagues to secure their place on the programme of their choice.

To explore the full range of NPQs we offer and to register for the next cohort, please visit our website:

👉 [OneCornwall - NPQs](#)

Expressions of interest are now open for the next NPQ cohort. You can apply using the following link:

Registering Your ECTs - Important Information

Please register your Early Career Teachers (ECTs) as early as possible- the DfE portal is now open. All registered induction tutors should have received an email from Sally (strevarton@onecornwall.co.uk) with full instructions. If you need the information again, please contact Sally directly.

Key Points

Registration Time: The registration process can take time, so please allow for this.

Pending QTS or Transfers: ECTs can be registered even if their QTS is pending or they are currently registered with another school or Appropriate Body (AB).

Before Start Date: ECTs **must** be registered before they begin. The DfE does not permit backdating, so any delay will result in lost working days.

For Current ECTs

Staying Next Year: No action is needed—they will automatically progress to the next stage of the programme.

Leaving at Term End: You must complete and sign off their final assessment to release them for registration at a new school. If the assessment dates fall outside of term time, please contact Sally for guidance. Assessments are available now and must be completed by the end of term.

Induction Days

Dates for Autumn term induction days have been sent to all registered induction tutors. If you need these details, please email Sally.

ITT Updates

OneCornwall has been working closely with all ITT providers in the region and has recently published a review of the new Postgraduate Teacher Apprenticeship. We will be sharing this information with schools so leaders can learn more about this exciting route into teaching and how it could benefit their setting.

Please see the [attached](#) for an overview and downloadable pdf.

Delivery Partner and Lead Provider Information

If you are using OneCornwall as your delivery partner, please note that the **National Institute of Teaching** is now the lead provider for all Year 1 ECTs. You will continue with the same delivery partner for Year 2 as you are currently using.

 NATIONAL INSTITUTE of Teaching

Early Career Teachers

Our **highly flexible** programme speaks to the individual needs of schools and enables new teachers to have a **lasting impact** in the classroom.

If OneCornwall is acting **only** as your Appropriate Body (AB), you will need to arrange your **own delivery partner** for the ECF programme. .

Have You Worked with OneCornwall This Year?

If your educational setting has accessed any OneCornwall services between September 2024 and July 2025 — including ECT support, NPQs, ITT, or Appropriate Body services — please take 5 minutes to complete our short satisfaction survey. Your feedback is vital. It will help us shape and improve our offer to better support Cornwall's educational settings in 2025/26.

Thank you for helping us grow and improve!

We Want to Hear From You!
