Secondary Reading Showcase: Penrice Academy, St Austell

**Wednesday 29th April &
Wednesday 17th June**

As part of our partnership work within the DfE Secondary Reading Pilot, we are pleased to offer Showcase Days.

These days provide a valuable opportunity to visit our associate school, Penrice Academy, and observe high-quality reading practice in action. Colleagues will see how a whole-school approach to reading is implemented. We will look at the following aspects:

- Tutor-time reading programmes
- Targeted reading intervention
- Disciplinary reading strategies across subject areas
- Classroom routines that support fluency, comprehension and engagement

The sessions are designed to be immersive and practical, enabling participants to reflect on effective approaches, ask questions, and consider how these strategies can be adapted within your own school context.

Who Should Attend?

These opportunities are particularly suited to:

- English and Literacy/Reading Leads
- SENDCos
- Curriculum Leaders
- Senior Leaders
